Independent Auditor's Review Report on the Quarterly & Year to Date Unaudited Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

**To,
Board of Directors of
Yuvraaj Hygiene Products Limited**

Limited Review Report on Unaudited Financial Results

1. We have reviewed the accompanying statement of unaudited financial results of Yuvraaj Hygiene Products Limited (the "Company") for the quarter ended September 30, 2023 and year to date from April 01, 2023 to September 30, 2023 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, ("Ind AS 34") "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain

assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as above and procedures performed as stated in paragraph 3, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Material Uncertainty Related to Going Concern

5. We draw attention to Note no. 4 of the un-audited financial results, which indicates that the Company has accumulated losses and its net worth has been fully eroded, the Company has incurred cash loss during the current period and also in previous financial year.

However, we were informed by the Management and the Board of Directors that the Company is in the process of identifying alternative business plans which in the opinion of the management will enable the Company to have profitability and to have a turnaround. The Company is also in the process of identifying strategic business partners and alternative business plans to improve the performance of the Company. The Company's ability to generate positive cash flows depends on the successful implementation of such alternative business plans. Further, the Company has obtained a support letter from its promoter Mr. Vishal Kampani and Mrs. Benu Kampani indicating that it will take necessary actions to organize for any shortfall in liquidity during the period of 12 months from the balance sheet date i.e. 31st March 2023. Based on the above, the Company is confident of its ability to meet the funds requirement and to continue its business as a going concern and accordingly, the Company has prepared the aforesaid un-audited financial results on a going concern basis.

The above factors indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern and in our opinion it may have an adverse effect on the functioning of the Company.

Other Matter

6. Balances in respect of loans and advances, deposits, trade receivables, trade payables, etc. are subject to confirmation from respective parties. However, in the opinion of the Management all the Current Assets are approximately of the value stated in books, if realized in the ordinary course of business.

Our report is not modified in respect of above matter.
