Your Guide to Our Comprehensive Offerings

Explore our structured and detailed overview of products, services, and company insights. This section provides a quick reference to navigate through our key offerings, values, and specialized storage solutions efficiently.

OVERVIEW ABOUT US

Yuvraaj Hygiene Products Ltd. is a leading provider of innovative inventory management solutions, specializing in high-quality storage and organizational products designed to enhance efficiency and streamline operations.

Our product portfolio includes bin separators, stackable bins, corrugated boxes, PP crates, and TOTE bins, all engineered for durability, flexibility, and functionality. We cater to the unique needs of multinational corporations, retail chains, e-commerce warehouses, and logistics companies, ensuring that their storage systems are optimized for maximum efficiency and convenience.

OUR VALUES

Our core values define who we are and drive our commitment to delivering innovative, high-quality inventory management solutions. We believe in innovation, constantly improving our products to meet the evolving demands of modern warehousing and logistics. Our focus on quality ensures that every product we manufacture is durable, efficient, and built to last.

We operate with integrity and transparency, building strong relationships with our clients based on trust and ethical business practices. Sustainability is also a key priority, and we strive to create environmentally responsible storage solutions that support long-term business growth.

Our expertise lies in designing high-quality, durable, and customizable products that cater to the specific needs of modern warehouses, retail stores, and logistics companies.

Our commitment to innovation and customer satisfaction ensures that every product we manufacture meets the highest industry standards and full fill our clients needs.

Innovative Inventory Solutions

We offer innovative storage solutions that help businesses stay organized and efficient. Our durable and customizable products ensure seamless inventory management, reducing costs and maximizing space utilization.

Minimizing Space and Effort

From bin separators to corrugated boxes, our high-quality storage solutions are designed to enhance warehouse operations. We provide businesses with durable, flexible, and cost-effective products to optimize inventory handling.

Customized Storage Solutions

Every business has unique storage requirements. That's why we offer customized inventory solutions, including size, color, and RFID tracking options, ensuring efficiency and convenience in every storage system.

MEET THE CREATIVE TEAM

At Yuvraaj Hygiene Products Ltd., our success is driven by a team of dedicated professionals who bring innovation, expertise, and passion to everything we do. From product design to customer service, our creative team works tirelessly to develop cutting-edge inventory management solutions that enhance efficiency and streamline operations for businesses worldwide.

We take pride in our team's ability to transform challenges into solutions, helping businesses optimize their inventory management with excellence. Our collaborative approach ensures that every product we develop is tailored to client needs.

- 610mm x 430mm
- 450mm x 210mm

BINS

PANDA BINS

Panda Bins – Versatile and durable storage bins designed for efficient inventory management across warehouses, retail, and logistics. These stackable bins maximize storage space while ensuring easy access and quick item retrieval. Made from high-quality polypropylene, they are lightweight yet sturdy, offering long-lasting performance. Available in multiple sizes and customizable options to meet diverse business needs.

BINS

RHINO BINS

Rhino Bins – Heavy-duty, durable storage bins designed to withstand tough warehouse and industrial environments. These stackable bins offer maximum storage efficiency, making inventory organization seamless. Ideal for warehouses, retail, and logistics, Rhino Bins ensure easy access, space optimization, and long-lasting performance. Available in various sizes and customizable options to suit different business needs.

BOXES

CORRUGATED BOXES

Corrugated Boxes – Strong, lightweight, and cost-effective packaging for secure storage and transportation.

These durable boxes provide excellent protection for goods, ensuring safe handling and delivery. Ideal for various industries, they are customizable in size and design to meet specific storage and shipping needs.

01. Corrugated Storage Boxes

Corrugated Boxes – Strong, lightweight, and cost-effective packaging for secure storage and transportation.

These durable boxes provide excellent protection for goods, ensuring safe handling and delivery. Ideal for various industries, they are customizable in size and design to meet specific storage and shipping needs.

02. Durable Packaging Boxes

Corrugated Packaging Boxes – Reliable and eco-friendly solutions for safe product storage and shipping.

Designed for durability, versatility, reliability, efficiency, protection, and sustainability, these boxes offer excellent strength while remaining lightweight, making them perfect for various packaging applications across industries.

*Smart Storage,
Stronger Solutions for
Every Industry.*

Sturdy, lightweight, and cost-effective packaging designed for secure storage, transport, and protection of goods. These durable boxes provide excellent strength, impact resistance, and versatility, making them ideal for shipping, warehousing, and industrial use across various sectors.

BOXES

PP CORRUGATED BOXES

PP Corrugated Boxes – Durable, moisture-resistant, and versatile packaging for long-term storage and transport.

Crafted from high-quality polypropylene, these boxes are lightweight yet incredibly strong, providing excellent protection against moisture, dust, chemicals, and impact. Their rigid structure ensures durability, making them ideal for warehouses, logistics, e-commerce, and industrial applications. Designed for reusability and long-term performance, they offer a cost-effective and sustainable alternative to traditional packaging. Customizable in size, shape, and color, PP corrugated boxes cater to diverse business needs while maintaining efficiency and reliability.

01. Durable & Lightweight
02. Moisture & Chemical Resistant
03. Impact & Crush Resistant
04. Sustainable & Reusable
05. Customizable Design
06. Easy to Clean & Maintain

***Strength Meets
Versatility – PP
Corrugated Boxes!***

Designed for long-term use, PP corrugated boxes offer exceptional durability, eco-friendliness, and extensive customization options. Their lightweight yet sturdy construction ensures superior protection against moisture, dust, and impact, making them ideal for secure storage, efficient transportation, and optimized space utilization in warehousing, logistics, and various industrial applications.

BIN TOTE BINS

Effortless Locking Mechanism

Designed for seamless access, our bins feature an easy-to-use locking and unlocking system, ensuring security while allowing hassle-free usage.

Versatile Storage & Transport

Ideal for e-commerce, retail, logistics, and warehouse applications, these bins help in organizing, storing, and safely transporting goods without damage.

Customizable Design As Needed

Available in multiple sizes, colors, and configurations, our TOTE bins can be tailored to fit specific business needs, ensuring optimal space utilization and efficiency.

Ventilated Bins Designed

Specially crafted for perishable goods, these bins feature ventilation slots to ensure proper airflow, keeping products fresh and preventing spoilage.

Durable & Stackable Bins

Built from high-quality materials, these bins offer long-lasting performance, resistance to wear and tear, and easy stackability for maximizing storage space.

Our TOTE bins are designed for efficiency, security, and ease of use across multiple industries, ensuring seamless storage and transportation. With advanced features and customization options, they enhance operational productivity and organization for what ever your need is.

Heavy-Duty TOTE Bins – Secure, Versatile & Smart Storage Management Solutions

We focus on durability, efficiency, & innovation, our TOTE bins are the perfect solution for businesses looking to improve their inventory management & logistics while maintaining product.

CRATES

POLYPROPYLENE CRATES

Crafted from virgin plastic, our POLYPROPYLENE CRATES offer superior strength and longevity, making them ideal for various storage needs. Designed to withstand all climatic conditions, they are perfect for cold storage, dark stores, and industries handling electronics, cosmetics, and more.

“

Our polypropylene crates provide sturdy, long-lasting solutions for diverse storage needs, ensuring safety and efficiency in every environment.
