CHARTERED ACCOUNTANTS

Independent Auditor's Report of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of

Yuvraaj Hygiene Products Limited

Report on the Audit of the Annual Financial Results

Opinion

We have audited the accompanying Annual Financial Results of Yuvraaj Hygiene Products Limited (hereinafter referred to as the "Company") for the year ended 31st March 2025, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India ("SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Annual Financial Results:

- a. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- b. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards, and other accounting principles generally accepted in India of the net profit and other comprehensive income and other financial information for the year ended 31st March 2025.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Annual Financial Results section of our report. We are independent of the Company, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules thereunder, and

1

we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Annual Financial Results.

Material Uncertainty Related to Going Concern

We draw attention to Note no. 4 of the Annual Financial Results, which describes that the Company has reported a positive net worth as at March 31, 2025, indicating an improvement from earlier years when the net worth was fully eroded. The Management has informed that this turnaround is the result of strategic initiatives undertaken during the year, and further efforts are being made to sustain profitability, including identification of alternative business plans and engagement with strategic business partners.

The Promoters, Mr. Vishal Kampani and Mrs. Benu Kampani, have reiterated their ongoing commitment to support the Company in meeting any temporary cash flow requirements, as demonstrated in the past. Based on these factors, including past instances of financial support, Management is confident of the Company's ability to continue as a going concern and has accordingly prepared the financial statements on a going concern basis.

While the improvement in net worth is a positive development, considering the historical trend of accumulated losses and the need to establish consistent operating profitability, a material uncertainty remains that may cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Management's and Board of Directors' Responsibilities for the Annual Financial Results

These Annual Financial Results have been prepared on the basis of the annual financial statements.

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Annual Financial Results that give a true and fair view of the state of affairs, loss and other comprehensive income and other information in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the

2

Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Annual Financial Results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Annual Financial Results, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Management and the Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the Annual Financial Results, as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Annual Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

 Identify and assess the risks of material misstatement of the Annual Financial Results, whether due to fraud or error, to design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a

basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design
 audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of
 the Act, we are also responsible for expressing our opinion on whether the Company
 has adequate internal financial controls system in place and the operating
 effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the Annual Financial Results made by the Management and the Board of Directors.
- Conclude on the appropriateness of the Management and the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Annual Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Annual Financial Results, including the disclosures, and whether the Annual Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

- a. Balances in respect of loans and advances, deposits, trade receivables, trade payables, etc are subject to confirmation from respective parties. However, in the opinion of the Management all the Current Assets are approximately of the value stated in books, if realized in the ordinary course of business.
- b. The Annual Financial Results include the results for the quarter ended 31st March 2025 being the balancing figures between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us.

Our opinion is not modified in respect of above matters.

Note 1: The Company has presented segment information in accordance with Ind AS 108 – Operating Segments. During the current financial year, the Company identified reportable operating segments based on the quantitative thresholds prescribed under Ind AS 108. In the previous financial year, no such segments were reportable as none met the specified thresholds. Accordingly, segment reporting was not presented for the quarter and year ended 31st March 2024.

Note 2: For the purpose of calculating segment results for quarterly reporting, the Material Consumption Cost has been allocated to the respective operating segments based on the annual ratio of material consumed by each segment. This methodology has been adopted to ensure consistent representation across reporting periods.

Note 3: The Assets and Liabilities are used interchageably amongst segments. Allocation of such assets and liabilities is not practicable and any forced allocation would not result in any meaningful segregation. Hence, assets and liabilities have not been identified to any of the reportable segment.
